Bonus

Hey Scrum master, let the team decide!

Which techniques can the SM use here?

- Focus on HOW – detach from “What”
- Take all problems to the team
- Be a mirror
- Master non-judgment & non violent communication
- Use silence

Bonus

Hey Scrum master, let the team decide!

Which techniques can the SM use here?

- Focus on HOW – detach from “What”
- Take all problems to the team
- Be a mirror
- Master non-judgment & non violent communication
- Use silence
- Model being unreasonable

Bonus

Hey Scrum master, let the team decide!

Which techniques can the SM use here?

- Focus on HOW – detach from “What”
- Take all problems to the team
- Be a mirror
- Master non-judgment & non violent communication
- Use silence
- Model being unreasonable
- Let the team fail

Bonus

Hey Scrum master, let the team decide!

Which techniques can the SM use here?

- Focus on HOW – detach from “What”
- Take all problems to the team
- Be a mirror
- Master non-judgment & non violent communication
- Use silence
- Model being unreasonable
- Let the team fail
- Be their biggest fan: how they do well (not what they do)

Bonus

Hey Scrum master, let the team decide!

Which techniques can the SM use here?

- Focus on HOW – detach from “What”
- Take all problems to the team
- Be a mirror
- Master non-judgment & non violent communication
- Use silence
- Model being unreasonable
- Let the team fail
- Be their biggest fan: how they do well (not what they do)
- What is the hidden problem behind this behavior?
